

ABOUT CONFERENCE

International Conference on Human Values, Social Change & Humanities Research aims to bring together leading academician, scientists, students and research scholars from around the world to exchange and share their experiences and research findings on all aspects of Engineering, Science & Management. It also serves as a prominent multidisciplinary forum for academics, practitioners, and educators to present and debate the most current breakthroughs, trends, and concerns, as well as practical difficulties and solutions in the domains of Engineering, Science & Management..

ABOUT IARDO

IARDO (International Association of Research and Developed Organization), under India Educational Charitable Trust, is a distinguished academic platform that champions responsible research and sustainable academic practices. With its collaborations through Conference World, it has organized numerous national and international level conferences, all focused on social upliftment and knowledge innovation.
